Dear HR,

I'm reaching out to apply for the Frontend Developer Internship at Rungta International Skills University. I have a solid foundation in HTML, CSS, JavaScript, and React.js, and I'm keen to gain hands-on experience in developing responsive and modern web applications.

I'm enthusiastic about learning from your team and contributing to real-world projects. I've attached my resume for your consideration and would appreciate the opportunity to discuss how I can add value.

Thank you for your time.

Best regards,
Shubham Kumar
